HIKE, BIKE, PLAY & STAY WITH US THIS SUMMER

Set high in British Columbia's Okanagan Valley, only a twenty minute drive from Vernon and fifty-five minutes from Kelowna Airport (YLW), SilverStar is a year-round mountain resort like no other. As the seasons shift from white to green our mountain blossoms to life and our mid-mountain village bustles with summer excitement and activities.

Discover your Okanagan summer in the mountains and see for yourself why our guests love returning long after the snow is gone.

TAKE IN THE VALLEY VIEWS

FROM HIGH UP IN THE MOUNTAINS

There's nothing like sweeping views from high above. Ride the Des Schumann Summit Express Gondola to the summit and take in the breathtaking vistas of the spectacular Monashee Mountain Range and Okanagan Valley.

Enjoy the cooler mountain air, view the wildflowers, forage for wild berries, or hike our upper mountain trails for a chance to see local wildlife.

Take a ride up and walk down, or take the ride both ways. The Gondola is wheelchair accessible and pet friendly. It's a must do on your summer bucket list!

CROSS COUNTRY

VARIETY OF TERRAIN

FOR EVERY TYPE OF ADVENTURE

Our Cross Country network features over 70km of purpose built single track trails. Mirroring the success and progression of our renowned Downhill trails, our Cross Country network ranges in difficulty from our beginner trails near the village, to the 35km EPIC Beowulf loop.

BEOWULF

The crown jewel in our Cross Country trail network is the Beowulf trail, designated as an IMBA EPIC in 2017. The EPIC designation is reserved only for adventurous rides that are technically and physically challenging, beautiful to behold and worthy of celebration.

The 35km EPIC loop takes riders along ridgelines, through cedar rainforests and grassy meadows as it winds its way from the village and back again, covering all of the incredible terrain SilverStar has to offer. A must-do ride for the discerning mountain biker.
