Our Mission

To inspire the journey ahead by sharing the legacy and the lessons of the Voyageurs.

The Voyageur canoe is the definitive symbol of the breadth and diversity of Canada's history. It embodies a 300 year legacy of exploration, discovery, adventure, resourcefulness, collaboration, culture and community.

It serves as a powerful metaphor for the 'journey ahead' to individuals and groups alike. Today, the challenges may be different, but the journey is the same.

The Voyageur Adventure

Paddle into the past with Canada's legendary Voyageurs

Explore • Discover • Celebrate

An epic adventure 300 years in the making

Paddling • Stories • Music • Team Challenges

Since the 1700s, the Voyageur Canoe has brought cultures together through exploration, community and trade. After 300 years, it returns once again to introduce modern explorers to the joys and challenges of real adventure. Join us on a paddle into history where we honour the legacy and inspire the future!
